05/2022

I've been designated as Vice-Captain of Weightlifting Team IIT BHU in the academic session 2021-2022.

As well as have achievements in Weightlifting sports at different levels of competition.

## Experience

### Web Student

Web Developer • Remote, Haryana

05/2021 - 08/2021

### Web Developer Internship

#### Web Student

- I've done a Website Development Internship with a role of Front-end Developer for 3 months and at Web Student, remotely.
- All 7 projects were done by the whole team and since I was the team leader, I learned to work within a team as well as lead a team.
- Developed E-commerce websites using Web Storage API.
- Used different kinds of designs and animations to make the website look more attractive, useful and responsive as well, and enhance the user experience.
- Users were allowed to add, update and delete the items from the cart.
- On the last day of my internship I was awarded with **Best-Intern** of the month, and an **appreciation certificate** for the whole team also.

## Self Project

React Developer • Home, Haryana

06/2022 - 06/2022

### Project(Most Recent): Music Player Built Using React

- This is a react app built to stream local music by choosing files on homepage and then stream to an audio player.
- It is deployed on github at [Music Player](#)
